Fri.,	June 5	Prize Day — 3.00 p.m.

OLD BOYS' HOCKEY NIGHT

The Fifth Annual O.B's Hockey Night brought out an impressive group of Old Andrean First Teamers of former years, but The School beat them, 5-3. Here is The Old Boys' Team:-

'50 Roy McMurtry	'59 Bob Dack
Chris Wansbrough	'60 Gerry Binns
'52 Bill Graham	'61 Brian Armstrong
'54 Grant Edwards	John Magee
'57 Jim Wyse	'63 Gage Love
Andy Holliday	Gord Griffiths
Graham Muirhead	Garry Ritchie
Doug Murphy	

Coach W. R. (Dick) Henderson flew up from N.Y. for the occasion! The School beat U.C.C. in Lower School Hockey, 4-1 and the Broomball Game, Master vs. O.Bs, was an hilarious performance! — risky to life and limb for all concerned! The Pipers warmed the cockles of many an older Andrean heart with their rendition of a number of long familiar tunes. O.B's, Parents, Friends and the School filled the Aurora Arena in this enjoyable get-together.

ROUND AND ABOUT THE SCHOOL

In L.B.F. **Hockey**, the Firsts beat Ridley (8-0) and T.C.S. (4-1) but lost to U.C.C. (1-5, 2-3). They won against Lakefield (10-2) and Appleby (9-0). The Seconds, Thirds, U15A and B all broke about even in all schedules. The Clan Hockey Schedule was keenly contested as well. Weather conditions for outdoor ice were not good this year — made it difficult to run on schedule! For this reason the **Skating Party** was touch and go too but it turned out to be a real GO! Some 200 lady guests were entertained at Supper in The Great Hall before the skating and dancing began. This has become a big and successful annual event. The **Basketball** Teams all had a "break-even" season. **Swimming** is on the up-grade. While the Seniors placed well throughout, the Juniors went undefeated through seven meets and the L.B.F. meet. An L.B.F. record was set by the School in the Individual 200 Yd. Medley. Jr. and Sr. Teams combined in the L.B.F. Meet scored $34\frac{1}{2}$ points to T.C.S. and U.C.C. 36, and Ridley 52. The **Fencing** Team, in five tournaments won or lost (about even) by only a few points. **Skating** was not very good locally but trips went out most Sundays to various hills where conditions were good. When a sudden heavy snowfall covered the ground one day, the ski races were run off with a large number of contestants. In the field of **drama** three One-Act Plays presented early in the year were good "workshop" efforts — "In the Suds", "The Monkey's Paw", and "Fairy Tales of New York". The Gilbert & Sullivan operetta, "H.M.S. Pinafore" was well presented later by an entirely School cast. You will note that another evening of drama is forthcoming. Among **visits to the School** was that of "**The Hour Company**" led by Barbara Chilcott supported by a group from "The Crest" which presented to the Upper School readings from the Grade 13 course in English Literature — both entertaining and helpful. Dr. **Neil H. Bartlett**, first to make a chemical compound from an inert gas, spoke to the Upper School recently on "Reactions of Inert Gases". **Field trips** with a science interest will be taken shortly to a steam-generating plant of the Ontario Hydro, a B.A. oil refinery, and a Howard Smith Pulp and Paper Mill. The Upper School went to see a performance of Burton's "Hamlet" at the O'Keefe Centre. The **Debating Team** has been very active and successful winning most of their fixtures. It is hoped that the weather will discontinue its irregular pattern for the Spring Term. It is such a good Term to be 'round and about The School — if you remember!

HOW ABOUT YOUR "NAMED" CHAIR FOR THE GREAT HALL?!

The idea seems to have "taken" and many names of Old Andreans (boys and masters) have been perpetuated in carving on chair backs in the dining hall. As well — with each name — the cost of the new Andrean facilities has been shared by the donor of the chair. There it is — your chair — tangible evidence of that fine tradition which is Andrean — with the Andrean name of your choice inscribed on it — a permanent part of the fabric of the school. Interested in the idea? Had you forgotten about it? Think about it! The number of chairs available will decrease steadily.

CAROL SERVICE RECORDS

A limited number of the 1962 Carol Service L.P. recordings are still available at \$3.25 each delivered to you. Write The Bookroom, enclose a cheque payable to "St. Andrew's College", and a recording will be sent you by return mail.
